HOW IT WORKS

Earning XP

Every badge requirement is worth XP. When you finish one, check its box, write the date, and have your mentor initial it. That XP is now yours.

Each badge also has three optional **Epic Quests**: big stretch challenges you can earn once, any time.

What requirements are worth

Size	XP	What it looks like
Quick	**2**	One sitting: name, learn, talk about, or share something
Task	**5**	Make, write, practice, or roleplay, or repeat a habit 2–5 days
Project	**10**	Plan and complete, teach, lead, interview, present, or a ~1 week habit
Challenge	**20**	A 2–4 week habit, or a major project or certification
Marathon	**40**	A habit kept for 2+ months

Epic Quest tiers

★ Challenger	**15 XP**
★★ Champion	**25 XP**
★★★ Legend	**40 XP**

How to log it

1. Use your badge booklet (if there is one) to record the work itself.
2. On the badge's page here, check the box, write the date, and get mentor initials.
3. When a whole level is done, check it off on the Scoreboard.
4. Keep a running total in the "XP earned" box at the top of each badge page.

ALL BADGES AT A GLANCE

Scoreboard

Check a box when a level is signed off. Write each badge's XP total as it grows. A level patch takes every required badge at that level plus 6 electives (at least 2 from Creativity & Innovation).
